

Your digital tools

The Aetna HealthSM app and Aetna[®] member website

Personalized tools make your plan easier to use.

Connect to care

Find in-network providers, facilities and procedures near you. And you'll get personalized search results based on your health benefits and insurance plan. You can even get cost estimates for visits and procedures before you go.

Manage claims

You can pay claims and view up to two years of claims details for your whole family. Filter by member, provider, facility, service or date.

Get proactive with your health

You'll get simple, personalized health actions recommended to you, based on your unique profile. This could include a reminder to get a shot when there's a flu outbreak near you. Or a reminder that a preventive doctor's visit can help you stay on top of your health and well-being.

Seamlessly connect with care and manage benefits — at home or on the go.

Program features and availability may vary by location and are subject to change. This material is for information only. Health information programs provide general health information and are not a substitute for diagnosis or treatment by a physician or other health care professional. Health benefits and health insurance plans contain exclusions and limitations. Estimated costs not available in all markets. The tool provides an estimate of what would be owed for a particular service based on the plan at that very point in time. Actual costs may differ from an estimate if, for example, claims for other services are processed after the estimate is provided but before the claim for this service is submitted. Or if the doctor or facility performs a different service at the time of the visit. Health maintenance organization (HMO) members can only look up estimated costs for doctor and outpatient facility services. Information is believed to be accurate as of the production date; however, it is subject to change. Refer to **Aetna.com** for more information about Aetna® plans.
