

Landing page

- COVID-19 Resource Center provides direct link to landing page after member login
- After login, quick link is shown on homepage on the right hand side

The screenshot displays the Express Scripts member dashboard. At the top, a dark blue header contains the Express Scripts logo and a shopping cart icon. Below this, a lighter blue navigation bar includes links for Home, Prescriptions, Benefits, Account, and Help, along with a Log Out button. The main content area is divided into two columns. The left column features three large, vertically stacked cards: 'Available Refills' with a count of 4, 'Active Orders', and 'Make a Payment' showing a balance of \$0.00. The right column contains a welcome message, a section for transferring prescriptions, and a 'Quick links' section with icons and text for 'Order At-home COVID-19 Tests', 'Benefit Notifications' (with a notification badge), 'Price a Medication', and 'Contact us'. A large blue arrow points from the 'Make a Payment' card to the 'Quick links' section. The footer is a dark blue bar with a list of links including Site Map, Terms of Use, Privacy, and various language options. It also includes a disclaimer about pricing and copyright information for 2021.

Order form

- Drop down section allows eligible members to order COVID-19 OTC test kits
- Member information including shipping address and email address auto populate
- If member shipping address is not on file, member will be prompted to add their address
- Member must acknowledge attestation before submitting order
- Frequently asked questions are available below the form

The screenshot displays the Express Scripts website interface for ordering at-home COVID-19 tests. The top navigation bar includes links for Home, Prescriptions, Benefits, Account, and Help, along with a shopping cart icon and a Log Out button. The main heading is 'At-home COVID-19 tests delivered by Express Scripts® Pharmacy'. Below this, a paragraph explains the benefit plan coverage: 'Your benefit plan may cover up to 8 at-home COVID-19 tests every 30 days, per member. This means you'll pay a \$0 copay for covered tests. You can use your benefit to get your tests at a participating retail pharmacy or order for home delivery.' A section titled 'How can I order at-home tests for delivery?' lists three bullet points: 'Fill out the order form to order your tests.', 'We'll work on your order and will let you know when it ships.', and 'It may take up to 4-6 weeks to receive your order. If you need an at-home test now, please check with a local participating retail pharmacy to get your tests at a \$0 copay.' The 'Order Form' section contains a dropdown menu for 'Who are you ordering at-home tests for?' with 'Chris Bell (1974)' selected. Below this is the 'Shipping address' section, which shows '1 Express Way, Saint Louis, MO 63121-1824, (314) 225-2665' and a link to 'Change address in Accounts'. The 'Email address' section shows 'chrisbell967@gmail.com'. The 'Phone number (Optional)' section has an empty input field. A checkbox is checked, indicating acknowledgment of the terms: 'I acknowledge that these at-home tests are being requested for personal use, or for the use of a covered plan member, and not requested for employment purposes. This test will not be reimbursed by another source nor will it be placed for resale.' At the bottom of the form are 'Submit Order' and 'Cancel' buttons. Below the form is a 'Frequently Asked Questions' section with four expandable questions: 'Am I covered for at-home COVID-19 tests?', 'How long will it take to receive my at-home COVID-19 tests?', 'What kind of at-home COVID-19 tests will you send?', and 'How do I use my at-home COVID-19 test?'. The footer contains links for Site Map, Terms of Use, Privacy, Notice of Privacy Practices, Drug Recalls, Disposal of Medication, About Express Scripts, and Help, along with a list of languages: Non-discrimination Notice, العربية, 繁體中文, Français, Deutsch, Creole Aisyen, Italiano, 日本語, 한국어, Język polski, Português, Русский, Español, Tagalog, and Tiếng Việt. A note at the bottom states: 'Prices and savings are based on current drug prices and your prescription program.'

Confirmation page

- After order is submitted, the confirmation page is shown
- This page also allows for a quick link to order COVID-19 OTC test kits for another member

The screenshot shows the Express Scripts website's confirmation page. At the top, there is a dark blue header with the Express Scripts logo and navigation links: Home, Prescriptions, Benefits, Account, and Help. A shopping cart icon is in the top right corner. Below the header, a large green checkmark icon is centered, followed by the text "We got your order." and a message: "Your at-home tests should arrive in 4-6 weeks. You'll receive an email once your order ships." A reminder section states: "Reminder: Your benefit plan may cover up to 8 at-home COVID-19 tests every 30 days, per member. This means you'll pay a \$0 copay for covered tests. You can use your benefit to get your tests at a participating retail pharmacy or order for home delivery." Below this, there is a link "Need tests for another member?" and a button labeled "Order At-home COVID-19 Tests". At the bottom, there is a section "Still need assistance?" with a link to "Visit our COVID-19 Resource Center". The footer contains a list of links: Site Map, Terms of Use, Privacy, Notice of Privacy Practices, Drug Recalls, Disposal of Medication, About Express Scripts, and Help. It also lists various languages: Non-discrimination Notice, العربية, 繁體中文, Français, Deutsch, Creole Ayisyen, Italiano, 日本語, 한국어, Język polski, Português, and Русский. A disclaimer states: "Prices and savings are based on current drug prices and your prescription program. For more information about State Boards of Pharmacy visit State Board of Pharmacy." and a copyright notice: "© 2021 Express Scripts. All Rights Reserved. 1 Express Way, St. Louis, MO 63121".
