

AT-HOME COVID-19 TESTS AT NO COST TO YOU.

Navigating COVID-19 can be hard, but we're making it easy for you to afford an at-home COVID-19 test when you need one. If you have Express Scripts pharmacy coverage through our company, you can visit your local retail pharmacy or order online from Express Scripts® Pharmacy for at-home COVID-19 tests at no cost to you.^{1,2,3}

How it works at a retail pharmacy:

- Call your local retail pharmacy to see if they have at-home COVID-19 tests available.
- Take your Express Scripts ID card to a retail pharmacy in your network.
- Bring the COVID-19 test to the pharmacy counter, not the regular checkout lane.⁴
- Check out at the pharmacy counter and show your ID card. Your at-home COVID-19 test should automatically ring up at no cost to you.

How it works with Express Scripts® Pharmacy:

- Log in at express-scripts.com.
- Click "Order At-Home COVID-19 Tests" on the home page.
- Submit your order.
- Get tests shipped directly to you from Express Scripts® Pharmacy.
